Note

Please note that once your application is submitted, you cannot modify your incubator preferences, or the amount and instrument of funding requested. If your application is selected by more than one preferred incubator, it will be allocated to the highest preferred incubator that you selected and cannot be shifted to another incubator.

Before submitting the application, we encourage startups to carefully review our portfolio page at <https://seedfund.startupindia.gov.in/portfolio>. This will help applicant startups to make an informed decision about the incubator preferences based on relevant parameters such as sector alignment, available funding balance, city/state, or any other relevant parameters. You may also contact the incubators directly using the contact details provided in the portfolio selection.

Incubator Preference # 1*

Please select Funding Instrument applying for under current funding details and click on "Save and Next" button to view the incubator preference list.
