

Stay on the line

Name: _____ Date: _____

p a p e r

Floating letters

p a p e r

Shared baseline

Notice: Look for letters that float above or fall below the writing line.

Try: Rest the body of each small letter on the solid baseline. Pause at the end of each phrase, then start the next row.

Keep a steady line.

One line at a time.

Check your own work: Do letter bodies follow the baseline without forcing an uncomfortable grip?
