

Make similar letters distinct

Name: _____ Date: _____

o o

Similar-looking pair

a o

Distinct letters

Notice: Choose a pair that a reader could confuse, such as a and o.

Try: Compare the opening, stem or tail that makes each letter different. Copy the pairs, then write the short words.

a o a o

n h n h

cap cop can

Check your own work: Can a reader tell the letters apart without guessing from context?

One thing to try next: _____
